Part 1 — Introduction & Acceptance

1. Introduction

Home LYNQ is more than a membership platform — it is a community built around education, relationships, and opportunity. Our goal is to provide Members with an environment where they can continue to Learn. Grow. Connect. Serve.

This Member Agreement (“Agreement” or “Terms”) governs a Member’s participation in that community, including the real estate education, professional development, networking, personal growth, and referral opportunities Home LYNQ makes available.

Home LYNQ exists so that people can Learn, Grow, Connect, and Serve alongside a community of like-minded professionals and individuals — because Relationships Create Opportunities. This Agreement explains, in plain language, what it means to belong to that community and what Home LYNQ and its Members owe to one another.

The name “LYNQ” reflects our brand promise — Leverage Your Network Quickly — the idea that meaningful relationships, built through education and community, create meaningful opportunities.

This Agreement exists to protect that trust and describe how it works — not to build a wall of legal jargon between us. We've tried to write it the way we'd explain it to a Member in person.

2. Acceptance of Terms

By enrolling in Home LYNQ, creating an account, accessing the Member Platform, or otherwise participating in Home LYNQ services, an individual agrees to be bound by this Agreement and by the Home LYNQ Policies incorporated into it by reference.

If a person does not agree to these Terms, that person should not enroll in or use Home LYNQ services. Continued participation after any update to this Agreement constitutes acceptance of the updated Terms, as described in Section 29 (Changes to These Terms).

3. Eligibility

Home LYNQ is intended for real estate professionals, individuals interested in learning about real estate, and people who value education, community, and personal growth. Any Visitor may browse the Home LYNQ Website, but access to the Member Platform, Educational Content, and community features requires enrollment. To enroll, a Visitor must:

- be at least eighteen (18) years of age;
- have the legal capacity to enter into a binding agreement;
- provide accurate and truthful enrollment information; and

- agree to comply with this Agreement and all Home LYNQ Policies.

Home LYNQ reserves the right to accept or decline any application for Membership in its reasonable discretion, consistent with applicable law.

Part 2 — Definitions

4. Definitions

The Privacy Policy, Membership Guide, Member Rewards & Professional Network Policy, Refund Policy, Earnings & Educational Disclaimer, and any other policy Home LYNQ designates as part of the Home LYNQ Policies, each as amended from time to time and incorporated into this Agreement by reference.

Part 3 — Membership

5. Membership Structure

Becoming a Member means joining the Home LYNQ community — gaining not just access to content, but a place among people who Learn, Grow, Connect, and Serve together. Home LYNQ offers Membership options, which may include the Community Access Plan™ and the Lifetime Community Membership™, among others Home LYNQ may introduce over time. The current features, benefits, and Membership Enrollment Fee associated with each option are described in the Membership Guide, which may be updated from time to time to reflect Home LYNQ's evolving services.

6. Enrollment & Membership Enrollment Fee

A person becomes a Member by completing enrollment and satisfying any applicable Membership Enrollment Fee described in the Membership Guide. Home LYNQ may offer different Membership options with different fees, benefits, and terms, and may update those offerings over time.

Fees, once paid, are handled in accordance with the Refund Policy.

7. Community Access Plan™

The Community Access Plan™ provides Members with ongoing access to the Member Platform, Educational Content, and community features on a recurring basis, as described in the Membership Guide then in effect.

8. Lifetime Community Membership™

The Lifetime Community Membership™ provides Members with long-term access to the Member Platform and community, subject to the terms, conditions, and Good Standing requirements described in the Membership Guide. “Lifetime” refers to the duration of the Home LYNQ community and this Agreement, and does not guarantee any specific individual outcome, income, or result.

9. Member Responsibilities

A community works best when everyone in it does their part. Being a Member of Home LYNQ means:

- providing accurate registration and profile information, and keeping it current;
- keeping your account credentials confidential;
- using Home LYNQ services for lawful purposes consistent with this Agreement;
- treating other Members, Participating Professionals, and Home LYNQ staff with honesty and respect; and
- following the Home LYNQ Policies, as they may be updated from time to time.

10. Good Standing

Certain Membership benefits, including participation in the Professional Network and eligibility for Member Rewards, may require that a Member remain in Good Standing. Home LYNQ will act reasonably and, where practical, provide notice and an opportunity to resolve an issue before a Member is treated as no longer in Good Standing.

11. Code of Conduct

Home LYNQ is built on relationships, trust, and mutual respect — and every Member benefits when that trust is protected. To preserve the integrity of our community, we ask that Members do not:

- harass, defame, or threaten another Member, Participating Professional, or Home LYNQ representative;
- engage in fraudulent, deceptive, or unlawful conduct in connection with Home LYNQ;
- misrepresent an affiliation with Home LYNQ or its Professional Network;
- interfere with the security or normal operation of the Member Platform; or
- use Home LYNQ to solicit unrelated business in a manner inconsistent with the spirit of the community.

When a concern is reported, Home LYNQ will look into it and take reasonable action to protect the community — which may include suspension or termination of Membership as described in Section 21 (Term, Suspension & Termination).

Part 4 — Services, Rewards & Professional Network

12. Home LYNQ Platform & Services

The Member Platform exists to support the Home LYNQ community — it is the tool, not the point. Through it, Home LYNQ provides Members with access to Educational Content, community features, networking opportunities, and related resources. The specific features available may evolve over time as Home LYNQ grows; this Agreement describes the legal framework governing that access rather than any particular feature set in effect at a given time.

Website & Platform Availability

The Home LYNQ Website and Member Platform may periodically be unavailable due to maintenance, upgrades, unexpected outages, or failures of third-party hosting or cloud providers. Home LYNQ will make reasonable efforts to minimize disruption but does not guarantee uninterrupted availability.

Beta Features

Home LYNQ may from time to time release features, tools, or content on a beta, pilot, or early-access basis. Beta features are provided “AS IS,” without warranty of any kind, and Home LYNQ may modify or discontinue them at any time.

13. Member Rewards

Home LYNQ may recognize Members through Member Rewards for contributions to the community, such as participation, referrals, or professional collaboration. Member Rewards are

discretionary and are governed by the Member Rewards & Professional Network Policy, which describes eligibility and how rewards are earned and administered.

14. Professional Network & Participating Professionals

Members in Good Standing may become part of the Professional Network and be recognized as a Participating Professional, subject to the criteria described in the Member Rewards & Professional Network Policy. Participation in the Professional Network is not an employment, agency, partnership, or franchise relationship with Home LYNQ.

15. Professional Network Connections

This is Leverage Your Network Quickly in practice: Home LYNQ helps Members connect with Participating Professionals in the community for education, introductions, and professional collaboration. When a Member asks to be connected with a Participating Professional, Home LYNQ facilitates that introduction.

Home LYNQ does not guarantee any particular introduction, transaction, or business outcome. Members remain responsible for exercising their own professional and legal judgment, including compliance with any licensing laws applicable to their profession. Participating Professionals may maintain a separate business relationship with Home LYNQ related to the marketing and promotion of their services; further detail on how those connections work is described in the Member Rewards & Professional Network Policy.

16. Educational Content

Home LYNQ provides Educational Content intended to support Members' professional development and personal growth. Educational content is provided for informational purposes and does not constitute legal, financial, tax, or investment advice. Members should consult qualified professionals regarding their individual circumstances, as further described in the Earnings & Educational Disclaimer.

17. Events & Community Activities

Home LYNQ may host or coordinate events, meetings, and community activities for Members. Participation in any event is voluntary, and Members agree to comply with any additional guidelines communicated for a specific event.

Photography & Recording Release

Attendance at a Home LYNQ event constitutes a Member's permission for Home LYNQ to photograph, record, and use the Member's name, image, and likeness in connection with Home LYNQ promotional, marketing, and community materials, unless prohibited by applicable law or the Member notifies Home LYNQ of an objection in advance.

Event Changes & Cancellation

Home LYNQ reserves the right to reschedule an event, change speakers or presenters, change the venue, or convert an in-person event to a virtual format, without liability to Home LYNQ, due to circumstances such as weather, illness, venue issues, or other factors beyond Home LYNQ's reasonable control.

18. Intellectual Property

Home LYNQ™, its logos, brand elements, Educational Content, and Member Platform content are the property of Home LYNQ Inc. or its licensors and are protected by applicable intellectual property laws. Members are granted a limited, non-exclusive, non-transferable license to access and use Home LYNQ content for personal or professional development purposes consistent with this Agreement.

Members may not copy, distribute, publicly display, or create derivative works from Home LYNQ content without Home LYNQ's prior written consent, except as reasonably necessary to use the services as intended.

Educational Content developed, published, or made available after a Member enrolls shall be considered Educational Content under these Terms, whether created before or after the Effective Date of this Agreement.

Reservation of Rights

Except for the limited rights expressly granted under these Terms, Home LYNQ reserves all rights, title, and interest in and to Home LYNQ™, the Member Platform, the Home LYNQ Website, and all Educational Content and related materials not expressly granted to Members.

Third-Party & Guest Presenter Content

Certain Educational Content may be created or provided by guest speakers, trainers, licensors, or partners and remains the intellectual property of those respective owners. Home LYNQ makes such content available to Members under arrangements with the applicable owner and does not represent itself as the owner of that content.

19. Confidentiality

Members may gain access to Confidential Information about Home LYNQ, other Members, or the Professional Network. Confidential Information includes, without limitation:

- referral strategies
- compensation structures
- business methodologies
- software workflows and system architecture

- marketing campaigns and materials not yet publicly released
- CRM systems and Member or client data contained within them

Members agree to use Confidential Information only for purposes consistent with their Membership and not to disclose it to third parties in a manner that would harm Home LYNQ or another Member. This obligation survives termination of Membership.

20. Privacy

Home LYNQ's collection, use, and protection of personal information is described in the Privacy Policy, which is incorporated into this Agreement by reference.

21. Term, Suspension & Termination

This Agreement remains in effect for as long as an individual is a Member. A Member may leave the community at any time in accordance with the Membership Guide and Refund Policy.

To preserve the integrity of the Home LYNQ community, Home LYNQ may suspend or terminate a Membership for violation of this Agreement or the Home LYNQ Policies, for conduct harmful to the community, or as otherwise permitted by law. Where practical, Home LYNQ will provide notice and a reasonable opportunity to address the concern before termination.

Sections that by their nature should survive termination — including intellectual property, confidentiality, limitation of liability, indemnification, dispute resolution, and governing law — will continue to apply after a Membership ends, as further described in Section 30 (Miscellaneous).

Part 5 — Legal Framework

22. Warranties & Disclaimers

This section exists so everyone has realistic expectations — not to undersell what Home LYNQ offers, but to be honest about what any educational community can promise.

Home LYNQ is committed to providing high-quality Educational Content, community experiences, and Member resources. However, because education, technology, markets, and individual circumstances vary, Home LYNQ cannot guarantee that its services will always be uninterrupted, error-free, or suitable for every Member's specific needs.

Except as expressly stated in these Terms or where prohibited by law, all Home LYNQ products, services, Educational Content, digital resources, events, Member Websites, software, downloads, and related materials are provided on an "AS IS" and "AS AVAILABLE" basis.

To the fullest extent permitted by law, Home LYNQ disclaims all warranties, whether express, implied, statutory, or otherwise, including but not limited to:

- merchantability
- fitness for a particular purpose
- title
- non-infringement
- uninterrupted availability
- accuracy
- completeness
- compatibility with any particular technology or device

Home LYNQ does not warrant that:

- services will be uninterrupted
- the Member Platform will always be available
- software will be free from defects
- Educational Content will satisfy every Member's expectations
- information will always be current or error-free

Members acknowledge that they assume responsibility for evaluating and applying information obtained through Home LYNQ.

23. Limitation of Liability

This section describes how financial responsibility is limited if something goes wrong — a standard part of any membership agreement, and one that lets Home LYNQ keep Membership accessible rather than pricing in unlimited risk.

Home LYNQ believes in providing valuable educational resources while encouraging Members to make informed and independent decisions.

To the fullest extent permitted by applicable law, Home LYNQ, its owners, officers, directors, employees, contractors, affiliates, licensors, partners, successors, and assigns shall not be liable for any indirect, incidental, consequential, special, exemplary, or punitive damages arising out of or relating to:

- use of the Home LYNQ platform
- inability to access services
- Educational Content
- business decisions
- investment decisions
- Professional Network opportunities

- Member interactions
- technology failures
- third-party products or services
- interruption of business
- loss of revenue
- loss of profits
- loss of goodwill
- loss of data
- cybersecurity incidents beyond Home LYNQ's reasonable control

To the maximum extent permitted by law, Home LYNQ's total cumulative liability for any claim arising out of these Terms shall not exceed the total amount actually paid by the Member to Home LYNQ during the twelve (12) months immediately preceding the event giving rise to the claim.

Some jurisdictions do not permit certain limitations of liability. In such jurisdictions, these limitations shall apply only to the fullest extent permitted by law.

24. Indemnification

This section keeps one Member's actions from becoming a financial risk for the whole community. It's a standard protection that lets Home LYNQ keep serving everyone else in good faith.

Members agree to defend, indemnify, and hold harmless Home LYNQ Inc. and its owners, managers, officers, directors, employees, contractors, affiliates, licensors, successors, and assigns from and against any claims, damages, liabilities, judgments, losses, costs, or expenses (including reasonable attorneys' fees) arising from or relating to:

- violation of these Terms
- misuse of Home LYNQ services
- infringement of intellectual property rights
- Member business activities
- violation of applicable laws
- negligent or wrongful conduct
- disputes between Members
- disputes between Members and third parties

This obligation survives termination of Membership.

25. Dispute Resolution

Home LYNQ values respectful communication and encourages Members to contact us first if concerns arise. Most issues can be resolved quickly through open communication without the need for formal legal proceedings. If a dispute cannot be resolved informally, the procedures below shall apply.

Good Faith Resolution

Before initiating arbitration, either party agrees to provide written notice describing the dispute and to make a good faith effort to resolve the matter through informal discussions for at least thirty (30) days.

Binding Arbitration

Except where prohibited by applicable law, any dispute, controversy, or claim arising out of or relating to these Terms or the use of Home LYNQ services shall be resolved exclusively through final and binding arbitration.

Arbitration shall be administered by the American Arbitration Association (AAA) under its applicable Commercial Arbitration Rules (or Consumer Arbitration Rules where required by law), unless the parties mutually agree otherwise. The arbitration shall take place in Texas, unless another location is mutually agreed upon or required by law.

The arbitrator shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, enforceability, or formation of this arbitration agreement. Judgment upon the arbitration award may be entered in any court having jurisdiction.

Class Action Waiver

To the fullest extent permitted by law, Members agree that any arbitration or legal proceeding shall be conducted solely on an individual basis. Neither Home LYNQ nor any Member may participate in:

- class actions
- class arbitrations
- representative actions
- consolidated proceedings

unless required by applicable law. Members expressly waive any right to participate in class proceedings.

Small Claims Court

Nothing in this Section prevents either party from pursuing qualifying claims in a court of competent small claims jurisdiction where permitted by law.

26. Governing Law

These Terms shall be governed by and construed in accordance with the laws of the State of Texas, without regard to conflict of law principles.

Subject to the arbitration provisions above, any legal action not subject to arbitration shall be brought exclusively in the state or federal courts located within the State of Texas.

27. Force Majeure

Some things are simply outside anyone's control. This section explains what happens then.

Home LYNQ shall not be liable for delays or failure to perform resulting from causes beyond its reasonable control, including but not limited to:

- natural disasters
- acts of God
- war
- terrorism
- civil unrest
- labor disputes
- internet outages
- utility failures
- cyberattacks
- governmental actions
- pandemics
- failures of third-party technology providers

Home LYNQ will make reasonable efforts to restore affected services as circumstances permit.

28. Electronic Communications

By creating an account or using Home LYNQ services, Members consent to receive communications electronically, including notices, disclosures, invoices, receipts, policy updates, and other communications relating to their Membership.

Electronic communications satisfy any legal requirement that such communications be provided in writing. Members are responsible for maintaining an accurate email address and promptly updating their contact information.

29. Changes to These Terms

Home LYNQ may revise these Terms from time to time to reflect changes in applicable laws, technology, business practices, or Member services. When material changes are made, Home LYNQ will provide reasonable notice through its website, Member Platform, email, or other appropriate means.

Continued use of Home LYNQ services after the effective date of revised Terms constitutes acceptance of those changes.

30. Miscellaneous

Entire Agreement

These Terms, together with the Privacy Policy, Membership Guide, Member Rewards & Professional Network Policy, Refund Policy, Earnings & Educational Disclaimer, and any other Home LYNQ Policies expressly incorporated by reference, constitute the entire agreement between the Member and Home LYNQ regarding the use of Home LYNQ services.

Severability

If any provision of these Terms is determined to be invalid or unenforceable, the remaining provisions shall remain in full force and effect.

Waiver

Failure by Home LYNQ to enforce any provision of these Terms shall not constitute a waiver of that provision or any other rights.

Assignment

Home LYNQ may assign or transfer its rights and obligations under these Terms as part of a merger, acquisition, sale of assets, corporate restructuring, or similar transaction. Members may not assign or transfer their rights or obligations without Home LYNQ's prior written consent.

Survival

The provisions relating to intellectual property, confidentiality, limitation of liability, indemnification, dispute resolution, arbitration, governing law, and any other provisions intended by their nature to survive shall remain effective following termination of Membership.
