1. Our Membership Philosophy

Home LYNQ™ is more than a membership platform — it is a community built around education, relationships, and opportunity. Our goal is to provide Members with an environment where they can continue to Learn. Grow. Connect. Serve.

This Membership Guide explains how Membership, the Community Access Plan™, billing, cancellation, and continued access to Home LYNQ services work. Our objective is to communicate this clearly and transparently, so Members always know what to expect throughout their Home LYNQ journey.

This Guide should be read together with the Home LYNQ Member Agreement, Privacy Policy, Refund Policy, and other Home LYNQ Policies.

2. How Home LYNQ Membership Works

Before the details, here's the shape of the whole thing:

Our Membership model is designed to reward long-term relationships. Once you become a Home LYNQ Member through the one-time Membership Enrollment Fee, you simply maintain your Community Access Plan to remain an Active Member and continue enjoying the benefits of your Lifetime Community Membership™. If life takes you in another direction for a while, we'll be here when you're ready to reconnect.

3. Purpose of This Guide

This Guide explains:

- how Membership operates;

- how the Community Access Plan works;
- billing and payment;
- cancellations and reinstatement;
- Lifetime Community Membership; and
- changes to Membership over time.

If something in this Guide and the Member Agreement ever seem to conflict on a Membership operational detail, this Guide controls — unless applicable law says otherwise.

4. A Few Key Terms

These terms are used consistently across the Member Agreement, this Guide, and the other Home LYNQ Policies.

Membership Enrollment Fee. The one-time fee paid to join the Home LYNQ community, separate from the recurring Community Access Plan.

Community Access Plan™. Home LYNQ's recurring subscription that keeps an enrolled Member connected to the community and its benefits — the Member Website, Member Platform, Educational Content, networking, Professional Network access, and Member Rewards eligibility.

Lifetime Community Membership™. The long-term Membership benefit available to Members who maintain an active Community Access Plan and remain in Good Standing, described further in Section 9.

Good Standing. Being current on applicable obligations and free of any unresolved violation of the Member Agreement or Home LYNQ Policies.

5. Membership Eligibility

Home LYNQ Membership is available to individuals who:

- are at least eighteen (18) years of age;
- have the legal capacity to enter into a binding agreement;
- provide accurate registration information; and
- agree to the Member Agreement and the Home LYNQ Policies.

Membership may also be available to businesses or organizations through an authorized representative.

6. Becoming a Home LYNQ Member

Joining Home LYNQ is simple.

Step 1. Become a Home LYNQ Member by paying the one-time Membership Enrollment Fee.

Step 2. Activate your Community Access Plan to enjoy the benefits of active Membership.

Step 3. Continue learning, growing, connecting, and serving alongside the Home LYNQ community.

As long as you maintain your Community Access Plan and remain in Good Standing, you continue enjoying the benefits of your Lifetime Community Membership.

7. Membership Enrollment Fee

Home LYNQ currently offers Membership through a one-time Membership Enrollment Fee. This fee provides eligible individuals the opportunity to become part of the Home LYNQ community and establishes eligibility for Lifetime Community Membership, subject to the conditions described in this Guide.

The Membership Enrollment Fee is separate from the recurring Community Access Plan. Unless otherwise stated in the Home LYNQ Refund Policy or required by applicable law, the Membership Enrollment Fee is paid only once. Home LYNQ may introduce additional Membership options or enrollment programs in the future; the current fee and any available options are described in the enrollment materials in effect at the time you join.

8. Community Access Plan

An active Community Access Plan keeps Members connected to the Home LYNQ community and provides continued access to eligible Membership benefits. It's not just a website subscription — it's what keeps you connected to the whole Home LYNQ ecosystem.

The Community Access Plan currently includes access to services such as:

- the Member Website and Member Platform;
- Educational Content;
- community updates and networking opportunities;
- the Professional Network;
- Member Rewards eligibility; and
- other eligible Membership benefits Home LYNQ makes available.

The Community Access Plan is billed separately from the Membership Enrollment Fee and renews automatically unless canceled, as described in Section 12 (Automatic Renewal). Home LYNQ may enhance the Community Access Plan as new services are introduced.

9. Lifetime Community Membership

One of the unique benefits of joining Home LYNQ is the opportunity to enjoy Lifetime Community Membership. Unlike organizations that require Members to purchase a new Membership every year, Home LYNQ's model allows Members to join the community once and remain part of it for as long as they stay connected.

The word “Lifetime” refers to the ongoing life of the Home LYNQ community and this Membership benefit — not a guarantee tied to any individual's lifetime — and it doesn't create an ownership right in Home LYNQ's Educational Content, which Home LYNQ may continue to improve, reorganize, or update as our programs evolve.

Maintaining Your Lifetime Community Membership

Lifetime Community Membership remains active for Members who:

- maintain an active Community Access Plan;
- remain in Good Standing; and
- comply with the Member Agreement and Home LYNQ Policies.

If Your Community Access Plan Ends

We understand that life circumstances change. If your Community Access Plan is canceled or otherwise ends:

- recurring billing stops;
- Community Access Plan services conclude at the end of the current billing period; and
- active Membership benefits associated with the Community Access Plan pause.

Your Lifetime Community Membership eligibility, however, remains preserved. You do not lose your place in the Home LYNQ community — you simply pause your active benefits.

Reactivating

Members who later reactivate their Community Access Plan may resume their Membership benefits without paying another Membership Enrollment Fee, provided the Membership program remains available, the Member remains eligible under Home LYNQ Policies, and any outstanding account issues have been resolved. Home LYNQ believes relationships create opportunities, and we are always glad to welcome Members back into our community.

10. Membership Benefits

Depending on the Membership option, Community Access Plan, and programs available at the time, Members may receive access to:

- educational programs and personal development resources;
- live and virtual events;
- the Member Website and Member Platform;
- networking opportunities and the Professional Network;
- Member Rewards eligibility;
- coaching and digital resources; and
- future educational offerings and Member benefits Home LYNQ introduces.

Because Home LYNQ is committed to continuous improvement, Membership benefits may evolve over time. Our goal is always to increase the value of Membership while preserving the integrity of the Home LYNQ community; Home LYNQ therefore reserves the right to enhance, modify, replace, or discontinue specific benefits as our programs grow.

11. Billing & Payment

When you enroll, you authorize Home LYNQ to charge your designated payment method for the Membership Enrollment Fee and, if you activate one, the recurring Community Access Plan. Home LYNQ uses a Service Provider to process payments securely; Home LYNQ does not store full payment card numbers on its own systems.

Members are responsible for keeping their payment information current. Fees are billed in U.S. dollars unless otherwise stated, and any applicable taxes are the Member's responsibility unless the enrollment materials say otherwise.

12. Automatic Renewal

The Community Access Plan is a recurring subscription. To keep it simple, it renews automatically at the end of each billing period using the payment method on file, unless you cancel before the renewal date as described in Section 15 (Cancellation).

Home LYNQ will provide the notice required by applicable law before any renewal, and Members can review their billing cycle and next renewal date through their Member Platform account at any time.

13. Failed or Declined Payments

If a payment for the Community Access Plan is declined or otherwise fails, Home LYNQ will attempt to notify the Member and may retry the charge. To preserve the integrity of the community and keep everyone's access consistent, Home LYNQ may pause Community Access Plan benefits if payment issues aren't resolved within a reasonable period, consistent with Section 9 (Lifetime Community Membership).

Updating your payment information promptly through your Member Platform account is the easiest way to avoid any interruption.

14. Membership Changes

Home LYNQ may offer more than one Community Access Plan option or Membership option over time. Members may request to move between available options, subject to the terms in effect at the time of the change. Where a change involves a difference in billing, Home LYNQ will provide reasonable notice before it takes effect.

15. Cancellation

A Member may cancel their Community Access Plan at any time through their Member Platform account or by contacting Home LYNQ using the information in Section 19 (Contact Information). Cancellation takes effect at the end of the then-current billing period, and Members retain access through the end of that period.

As described in Section 9 (Lifetime Community Membership), canceling the Community Access Plan pauses active Membership benefits but does not forfeit a Member's Lifetime Community Membership eligibility or require repayment of the Membership Enrollment Fee if the Member later returns.

Refunds, where applicable, are governed by the Home LYNQ Refund Policy.

16. Reinstatement

Members who have canceled their Community Access Plan may reinstate it at any time by reactivating through their Member Platform account or by contacting Home LYNQ, provided the Membership program remains available and any outstanding account issues have been resolved. Reinstating members do not pay another Membership Enrollment Fee — that's the whole idea behind Lifetime Community Membership.

17. Changes by Home LYNQ

Home LYNQ is a growing community, and this Guide may be updated from time to time to reflect changes in our services, technology, business practices, or applicable law. When material changes are made, Home LYNQ will provide reasonable notice through the Home LYNQ Website, Member Platform, email, or other appropriate means.

Continued participation in Home LYNQ after the effective date of a revised Guide constitutes acceptance of the changes.

18. Member Compensation & Tax Information

Not every Member earns compensation from Home LYNQ — many Members simply enjoy their Membership. For Members who do become eligible to receive payments from Home LYNQ, such as Member Rewards, Home LYNQ needs certain information to process those payments and meet its own legal obligations.

Depending on the type of compensation, this may include a completed IRS Form W-9 (or successor form), taxpayer identification information, direct deposit details, and any additional documentation reasonably needed to verify identity or payment eligibility. Home LYNQ may delay payment until this information has been received and verified, and Members are responsible for keeping it accurate and current.

Members are solely responsible for reporting any compensation received from Home LYNQ as required by applicable law, and Home LYNQ will issue applicable tax forms where required. The full framework for Member Rewards and the Professional Network — including eligibility, payment timing, and compliance expectations — is described in the Member Rewards & Professional Network Policy.

19. Contact Information

A Message to Our Members

Join once. Stay connected. Belong for life.

That's the idea behind everything in this Guide. Home LYNQ is more than a membership platform — it is a community built around education, relationships, and opportunity, and we designed our Membership model to reward long-term relationships rather than repeat transactions.

Because when you can trust how your Membership works, you can Leverage Your Network Quickly — and focus on why you joined in the first place.

Thank you for being part of the Home LYNQ community.

Together, let's continue to...

Learn. Grow. Connect. Serve.
